

The Value of Membership

China Hong Kong Chapter

1 June 2011

- ISACA has made every attempt to keep our costs in line with expenses
- In order to keep in line with inflation and the additional deliverables and benefits that are offered, an increase in dues will be effective in 2012
- There has been no increase to member dues in the past four years

How Much Will Dues Increase?

- US\$ 5.00 increase
- 2012 dues: US\$ 135.00
- ISACA Board of Directors and Trustees decision in March 2011
- Only a slight increase is necessary
- Less than 4%, or less than 1% per year

Your dues have helped to pay for:

- COBIT 5 to be released in early 2012
- A full suite of COBIT-related products and tools for implementing IS audit, control, risk and security have been created in last years
 - Val IT (2008)
 - ITAF (2008)
 - Risk IT (2009)
 - BMIS (2010)
- Steep new discounts on COBIT products are now offered
 - 85% member-discount on COBIT Online
 - Free COBIT Quickstart
- More than 75 new research deliverables in the last four years!!

Your dues will help ISACA to continue providing:

- New virtual trade shows and free e-Symposia – for free CPE
- An eLibrary of over 400 searchable books
- An expanded Career Centre with new capability to post and search on jobs by country
- A new web site featuring online Communities with more than 100 topics of interest
- Training and review materials for chapter use

Looking forward to 2012

- Continued growth of ISACA through expansion of chapters and new members and retention of current members
- Member support of value of ISACA benefits and need for dues increase
- Continued development of guidance and practices to assist our members in being successful in their careers

Thank You!

We thank you for your support and look forward to continuously offering the benefits and services that you need!
