ONE DAY WORKSHOP DATA GOVERNANCE, SECURITY AND PRIVACY IN PRACTICE

Data is essential for all businesses in this digitalized age. Data security and privacy are hot topics as data breach incidents happen all the time. Although we know the importance of data, not many of us completely know how to govern and protect the data. The purpose of this workshop is to demonstrate the international standard of data governance, practical measures to enhance data security and privacy in an organization.

WORKSHOP FEES

	Early bird (Deadline: 15 July 2019)	Regular (Deadline: 19 July 2019)
ISACA China HK Chapter Member	HK\$ 2,000	HK\$ 2,200
